MULTITHERM

Item Number 4688582

MULTITHERM with an integrated and an external probe. Digital temperature measuring device for different applications.

- Dual probe thermometer
- Fast response time
- LCD backlight
- Ice water (32 °F) calibration possible
- Alarm function
- Auto Off: Unfold the probe to turn the unit on and fold it in to turn it off
- Magnet as fixing aid

Technical Data

Material	ABS
Color	black
Standards	CE REACH
RoHS Conformity	Yes
Battery	Coin cell battery CR2032
Measured Variable	Temperature
Scope of Supply	Battery
Packaging	Blister
Accuracy	+/- 2 °F
Temperature measuring range	-58 °F - 572 °F
Temperature Units	°C °F
Temperature Resolution	0.1 °F
